SARA STEFFLER - MISSION TRIP TO MALAWI

In September 2016 I am going on a 3 week mission trip to Malawi with 7 other people who are affiliated with Cathy Reid of New St James Presbyterian Church in London, Ontario. Malawi is one of the very poorest countries in the world and so we are planning to take 100 pounds each of needed items. If you would like to contribute to this cause, please consider donating any of the following items on our wish list and place in the suitcase you will find downstairs in Douglas Hall during fellowship for the next little while.

A list of item and more information are available on the bulletin board.

Thank you!

Sara Steffler

BIBLE STUDY – “The Odyssey of St Paul”

Wednesdays at 7:30 pm starting April 27th and repeated on

Thursdays at 11 am starting April 28th

NOTE: This Bible study is planned to run for eight weeks, please don't worry about committing for 8 weeks. Please come to all 8 weeks, but you won't fall behind if you miss a week here or there because of appointments or other commitments.

We will be looking at a DVD for about 25 minutes and then studying various selected readings from Paul's writings in the New Testament. We hope to build a good picture of the man Paul and importantly, of what God has said and is saying today through his writings.

From the study guide:

Aside from Jesus himself, no one has had a greater influence on the founding of Christianity than Paul of Tarsus. Among his many achievements, three are of prime importance:

- 4) as a powerful, tireless missionary, he spread the faith to Asia Minor, Greece, and Italy;
- 5) his letters, which form much of the New Testament, present a basic theology for Christianity; and
- 6) more than anyone else, he brought Gentiles into the early church, not only Jews, thus “universalizing” the faith.

Although we have the Gospel records but no writings from the pen of Jesus himself, in Paul's case we have both, in the sense that the second part of the Book of Acts serves as Luke's “gospel” about this greatest apostle. In addition to Paul's letters and the record in Acts, this series will also use geographical, archaeological, and secular literary evidence to provide a fully dimensional portrait of St. Paul, the man and his mission.
