Seating arrangement in front of church

You may have noticed that we have had in place for the last number of months a different seating arrangement for our wonderful choir. This change has been put in place in order for us to be a little more flexible in configuring the front part of the sanctuary and allows us to accommodate special services such as the liturgical dancers we had recently, the Halton Region Police Choir and our Christmas Eve service. The chairs currently being used are from our Quiet Room so alternative chairs are planned to be obtained so we can continue having this option available to us in the future. Please pray for clear guidance as we seek out appropriate chairs to best suit the choir and our services.
