### **Bible Study on the Apostle's Creed**

#### **What Christians Believe and Why**

Wednesday mornings from 11 - 12 in the McRae Room.

6 weeks - October 24-Nov 28

During this study you will have the opportunity to explore what it is we believe using the vehicle of the Apostle's Creed, one of the most widely used and best-known confessional statements of the Western Church. The study is based on Adam Hamilton's book Creed: What Christians Believe and Why, a study guide, and a DVD in which Hamilton explores the Creed in a group setting. I believe that this study will be an enlightening way to enter Advent, which begins as this study ends.

## ELDER ELECTION PROCESS

Some of the Elders, whose term will be up in March 2019, are electing to take a break. Additionally, we would like to increase the number of Elders on Session by a couple. As such, we will be adding new Elders to Session. If you have a suggestion as to who you think would make a good Elder, please let Rev. McAnsh or Bob Dickison know by the end of October. The actual Elder election will take place at the March 2019 annual meeting.

### **Pastoral Care Meeting**

***Wednesday, November 7th at 2:00 p.m.***

in the sanctuary.

All of us have heard friends and neighbours say "...I'm staying in my home until I'm carried out...". Hopefully that will be the future for all of us however sudden and unplanned events happen which result in us having to find alternative living arrangements. Health issues top the list of events, but other issues include our inability to do all the things necessary to maintain our home. The death of a spouse and the concern of our adult children about our welfare all may play a part in our having to seek a different living arrangement.

To assist the congregation in learning about the alternatives available in living arrangements, the **Pastoral Care Committee** has arranged for a representative of the Ontario Retirement Community Association (ORCA) to speak to us on the various living options available in the community. Some of the questions that will be answered are:

- What are the different types of facilities available?
- What is the difference in each type?
- What does each type of facility offer in services?
- How does a client decide which facility is best suited to them?
- Does anyone other than the client decide what facility is suitable for them?
- What is the price range for each type of facility?
- What is the average price range for each type of facility in the Burlington area?
- Are the government programs that could assist senior through subsidization?
- Are such programs "means tested"?

Every year we sponsor 2 girls through the above Organization. Sana lives in Ghana and Felicite in Burkina Faso. Both countries being in Africa. In both cases their parents are subsistence farmers unable to provide the bare necessities. Our sponsorship enables the girls to attend school in appropriate clothing and ensures they are well fed, allowing them to benefit in the best way possible at school. Both their villages also benefit. Starting NEXT WEEK DURING FELLOWSHIP HOUR in Douglas Hall we will be happy to receive donations. This will enable us to continue this very necessary support. Heather Needham will be pleased to supply further information at this time.
